SUMMER TERM 2024

15th April - 24th May

Ferndown U3A (Fu3a) is part of the International Third Age Trust which offers social activities and learning opportunities for people who no longer work full-time.

We're one of the 1000-plus U3A charities across the UK with more than 430,000 members nationally. We think we're one of the best, providing opportunities to *learn, laugh and live!* - all for about a £1 a week.

Perhaps you have just moved to the area or are recently retired and wish to meet like-minded people, make new friends, explore new activities, acquire new knowledge, develop (or re-awaken) skills?

Fu3a is the place to start.

Our u3a is run *by the members, for the members*. We are all volunteers and everyone's contribution is valued. With nearly 600 friendly members and nearly 90 groups, we are sure you will find something to suit your interests (in the fullness of time you may decide to offer to run a Group yourself!).

We offer entertainmentfun eventsand coach trips to interesting places. Each year we arrange an International Study Visit – in April 2024 we'll be visiting Verona and Venice.

TO JOIN US PLEASE COMPLETE THE ENROLMENT FORM
IN THE CENTRE PAGES OF THIS BROCHURE.
THE FORM IS ALSO AVAILABLE ON-LINE AT OUR WEBSITE

www.ferndownu3a.co.uk

The annual fee for 2023-2024 is £53 for renewing members and £58 for new members. This is amazing value for what we provide - where else can you choose from nearly 90 groups at these prices?

This single payment covers membership of all the Groups you're enrolled in - plus all our Open Invitation Meetings, First Friday coffee mornings and affiliation fees to the Third Age Trust.

We look forward to welcoming you to Fu3a!

HEALTH AND SAFETY

Your health and safety are very important and we make every effort to ensure that the premises we use for our groups are fit for purpose.

Not only do we conduct our own Health and Safety risk assessments but we also require those whose venues we use to send us their own risk assessments.

However, we must stress that everyone attending Fu3a Groups has a personal responsibility for their own safety.

This means:

- looking where you are going
- being aware of cables and leads
- not lifting anything that is too heavy
- being aware of slippery surfaces
- being aware of others around you

Should an accident occur your Group Leader will follow the reporting procedure, including the completion of the necessary forms.

ACCESSIBILITY

We endeavour to make all Groups accessible to those with mobility problems, but unfortunately this is not always possible.

On page 28 are the details for each venue, including accessibility (whether there is a lift or stair-lift) and whether there is disabled parking.

Please check the venue details for each Group you are applying for and, to avoid disappointment, only apply for those Groups you can access.

PHOTOGRAPHS

We sometimes take photos to use in displays or on the Fu3a Website.

It is your responsibility to exclude yourself from any photographs when they are taken if you do not wish to be included in this way.

DATA PROTECTION REGULATIONS

We are required by legislation to obtain your authority to use any of your information as follows:

- to store it securely for membership purposes
- to communicate with you as a Fu3a member
- to share with the leaders of those Groups where you are a member
- to send you general information about the Third Age Trust (the national organisation to which U3As are affiliated)

You will find a statement on the Enrolment Form which you should **ONLY** sign if you agree to your information being used in this way.

Please be advised that you can request for your data not to be used for any of these purposes at any time by contacting us:
