

STYROFOAM CONES

Materials

- A styrofoam centre
- PVA Glue and or pins
- Scraps of fabric 2 inch squared, paper, buttons, ribbon, string, sequins, sweets.

Instructions

1. Start at the base of the cone and cover lightly with glue if using string, wool etc.
2. If using fabric fold in the same ways are for the fir cones fold in half along the diagonal then fold again – small triangle.
3. Pin a small piece of ribbon to the base of the cone to cover the white.
4. Pin the triangles point down around the base
5. Continue going round until you reach the top

SWEET CONES

Materials

- A styrofoam centre
- PVA Glue and or pins

- Tin of sweets without labels

Start at the base and pin the edges of the wrappers to the cone
